A virtual tour provides an interactive and engaging way to showcase the school, its facilities, and programs. It can be used as a marketing tool to attract new families and provide a sense of the school's atmosphere and culture.

Enhance your website with an engaging 360 tour.

VIRTUAL TOUR

Our team will expertly plan, photograph, and build your tour with the minimum of fuss!

FACTS

- Virtual Tours keep viewers in your website up to 10x longer!
- 98% of people think a virtual tour is more exciting and generate 45% more interactions than traditional photographs.
- Two thirds of people want more virtual tours!

FAQ FROM SCHOOLS

- Q: Do we have to do anything to prepare?
- A: Very little, apart for ensuring that the areas to be photographed are clean and tidy! The 360 camera sees everything!
- Q: How long will it take to photograph?
- A: Usually a couple of hours.
- Q: How long after the shoot can I expect my tour?
- A: 3-4 weeks. This allows time for the editing, build of the tour any amendments and liaising with your website provider so that the tour can be shown.
